July 3 2020

Dear All

I hope you and your families are all well and you are coping with these extremely difficult times?

You will recall that I wrote to you recently to cancel the meeting we had had planned on 25 June 2020 due to the Coronavirus. It is unlikely that we will be able to have a face to face meeting for some time.

You are therefore cordially invited to attend the next District Association meeting (including AGM) which we will run online:

Thursday 30 July 2020
18.30 – 20.30
Online – via **Microsoft Teams**

I'll send out a formal agenda in the next 2 weeks as we finalise the items, but to give you a heads up the key areas for discussion will include:

- **Basingstoke – Five-Year Land Supply** – impact on our communities
- **Manydown** – current state of planning for the full project
- **Hospital plans in Basingstoke**
- **Climate Change Emergency** – how we can work together to help Basingstoke become carbon neutral by 2030

These topics are very relevant to all our Parish & Town Councils, so please make every effort to send at least one representative from your Council. There will be plenty of time for questions.

Please let me know of any other specific topics that you would like included on the Agenda – click [here](#).

To register to attend this virtual event please click [here](#) and complete your details. I will respond by sending you an invite (and joining instructions) for the online meeting.

I really hope you can make our Online Meeting on 30th July and look forward to seeing you 'virtually'.

These continue to be unprecedented times.

Please stay alert, control the virus & save lives.

Regards

PAUL MAHONEY

Chair – Basingstoke District Association of Parish & Town Councils
